

Announcing a new Intent Mastery Program led by Toltec Seer Dawn Zurlinden

November 14–16 – 7:00 pm Friday to Noon Sunday

Register now for this powerful introductory weekend!

This is an invitation for a journey into the deepest and most complete personal change. You will be offered an opportunity to learn about, align with and create with the power of Love, or Intent. The result is total, joyous, engagement with life, and mastery over the content and direction of your life. You will probably not be able to help falling in love with yourself along the way! The Intent Mastery Program is a modern-day offering of an ancient mystery school like those of the Toltecs, the Sufis, and the early Eastern and Christian mystics. It is designed for the devoted and for the stubborn, those who respond to a format of scheduled weekend intensives.
